Mercy Joplin Trauma Conference

Friday, May 5, 2023 | 8 a.m. – 5 p.m.

Missouri Southern State University-Billingsly Student Center-Connor Ballroom | 3950 Newman Rd., Joplin, MO 64804

Mark your calendars now for a continuing medical education event that will provide an update on the treatment of pediatric and adult trauma patients. Optimal care of the trauma patient requires knowledge of the most recent information and techniques.

This year's event will focus on topics such as pediatric traumas including assessment and emergent management, hypocalcemia/hemorrhagic shock, burn trauma, fluid resuscitation and more.
